

GEARING UP

PROGRAM APPLICATION FORM

ORGANIZATION NAME: _____

CONTACT NAME: _____

CONTACT EMAIL: _____

CONTACT PHONE: _____

JOB TITLE: _____

JOB LOCATION: _____

1. Is your organization Canadian-owned, a Canadian subsidiary, a post-secondary institution or non-profit organization?

 Yes No

2. Please provide a brief job description for the work-integrated learning (WIL) opportunity, such as co-ops, internships, field placements, applied projects, capstone projects or case competitions.

3. How many WIL placements did your company/site/department offer last year?

4. How many WIL placements is your company/site/department planning to offer this year?

5. Gearing Up was designed to help create new WIL opportunities (e.g. opportunities that wouldn't exist without this funding). Is this WIL opportunity new?

 Yes No

6. What is the length of this proposed WIL? (in months)

7. Are the supervisor and the student participant for this position willing to take an online training module for Gender Equity in Mining (provided online by MiHR; approximately 20 minutes)?

 Yes No

Please Note: The Gearing Up program has reached the maximum number of placements for the Fall 2020 and Winter 2021 terms. Interested companies may fill out the following application form to be put on a waitlist should any additional funding become available. Applications are currently being accepted for Summer placements, beginning in April 2021.
